

- 2010/11/30 LCGT collaboration meeting.
- Report of Tunnel sub-group.
- We have submitted a tunnel design document for University of Tokyo.
  - The document is written in Japanese and can be download from there.
  - <http://gw.icrr.u-tokyo.ac.jp/cgi-bin/private/DocDB/ShowDocument?docid=244>
  - A figure file made by Vectorworks is also available from there.
  - <http://gw.icrr.u-tokyo.ac.jp/cgi-bin/private/DocDB/ShowDocument?docid=245>
- We will make newer version soon which includes two floors ITM and ETM room design.
- Any question, request and comment are welcome.
